Building Department Assistant

## Colorado State Plumbing and Electrical Board

Attention Homeowners:

All plumbing and electrical installation, i.e., new construction, remodels and additions must be installed and inspected in accordance with Colorado State law. Plumbing and electrical permits are required before commencing work.

A resident owning their property and residing on that property may apply for a home owner's permit and so their own plumbing and/or electrical work. Otherwise, all work must be performed by a licensed plumbing or electrical contractor utilizing licensed personnel.

For further information or assistance, please contact:

Gary Hartsuiker  
State Plumbing Inspector  
615 Macon Avenue  
Room 204  
Cañon City, Colorado 81212  
(719)-269-1255  
Office Hours: 7:30 a.m. - 8:30 a.m.

Robert Brant  
State Electrical Inspector  
615 Macon Avenue  
Room 205  
Cañon City, Colorado 81212  
(719)-275-2816  
Office Hours: 8:00 a.m. - 9:00 a.m.

**Fremont County Building Department's Mission Statement:** To help protect the citizens of Fremont County by establishing and enforcing minimum building requirements in order to reduce the potential hazards of unsafe construction, to assist the general public with the application and permitting process, and to conduct the department's business in a timely, efficient and professional manner.
