

**Manufactured Housing Installation Program Inspector List
as of September 22, 2008**

User Notes:

1. Always contact the local jurisdiction to coordinate local requirements for a manufactured home installation.
2. Inspection agencies and inspectors are listed by county.
3. If a local jurisdiction is listed as "participating", they will inspect all manufactured home installations within their legal boundaries.
4. Contact an independent inspector for manufactured home installation inspections where the local jurisdiction is not listed as participating.
5. Contact the Division of Housing when the local jurisdiction is not participating AND independent inspectors are not available.
