

**Manufactured Housing Installation Program Installer List
as of September 22, 2008**

User Notes:

1. Installer Status is listed as "Reg." for registered, "Cert." for certified, "Exp." for expired, or "Rev." for revoked.
2. Registered installers must have installations inspected by a certified installation inspector.
3. Certified installers may self-inspect their installations and affix the installation insignia where allowed.
4. Expired or Revoked installers are not in compliance with the program requirements and may not install manufactured homes in Colorado.
