

Pathfinder Regional Park Procedure for Selecting a Logo

The Fremont County Commissioners will solicit input from community members regarding the design of a new logo that can be used for the new Pathfinder Regional Park. The logo should be designed with the intent of it being unique enough to be a recognizable link to the park.

Concepts or completed designs will be accepted for consideration. A committee of at least one Fremont County Commissioner, one Fremont Re-2 School Board member, and one Fremont County Pathfinder Center Steering Committee will go over the submitted designs and make their recommendations to the full membership of all three boards. Committee may select a completed design, a concept or may combine items to develop a recommended logo(s).
