You must provide either a copy of the Recorded Deed or Administration Sheet from the Assessor's Office containing complete legal description of the property needing an address.

1. Legal name of County, State, Federal, or Private road your property fronts. If the property does not front any County, State, Federal, or Private road then the property will be addressed at the point of the intersection of the access road.
2. Plot map showing property and the location of driveway for your property. (We must know where your driveway is located). You may use a separate sheet of paper for any hand drawn maps, diagrams and footages.
3. Odometer readings (or actual measured footages if 200ft. or less) from the nearest intersection of **different named roads** to your proposed driveway, or odometer reading from a posted Mile Marker to your driveway. Actual readings or measured footages from a neighbor's **addressed driveway** to your driveway are also acceptable.
4. Any addresses on **your road** near your property. (Both sides of your property, regardless of the distance from your property).
 - Addresses issued are subject to change, due to change in area conditions or if more accurate information becomes available.
 - With the issuance of this address, **Fremont County in no way accepts responsibility** for the access or for the maintenance of the roadway of the property.
 - New accesses onto county maintained roads require a Driveway Access Permit, which can be obtained through the Building Department.
 - Fremont County is responsible for issuing addresses for properties in the unincorporated areas of the county only. To obtain addresses inside the incorporated city limits of Cañon City, Florence, Brookside, Rockvale, Coal Creek, or Williamsburg, you will need to contact the respective city department.

You must provide either a copy of the Recorded Deed or Administration Sheet from the Assessor's Office containing complete legal description of the property needing an address.
