<p>105.5 Expiration. Every permit issued by the Building Official under the provision of this code shall expire and become invalid one year from the date of issue. Exceptions: 1. <i>Demolition permits expire 180 days from the date of issue.</i> 2. <i>Re-roofing permits expire 90 days from the date of issue.</i> 105.5.1 Renewal. The Building Official is authorized to renew any permit for one additional year provided that a request for renewal from the permit holder and the appropriate renewal fee are submitted to the building department prior to the expiration date. No permit may be renewed more than once. Exceptions 1. <i>Demolition permits may not be renewed.</i> 2. <i>Re-roofing permits may not be renewed.</i> 3. <i>Mobile home placement permits may not be renewed.</i> 105.5.2 Extended Time. Any project which cannot be completed by the end of the renewal period will be eligible for application for a new permit for a fee which is equal to one half of the original permit fee. This new permit may be renewed under the provisions of section 105.5.1.</p>
