

FREMONT COUNTY
OFFICE OF EMERGENCY MANAGEMENT

Fremont County, Colorado

May 6th, 2024

FOR IMMEDIATE RELEASE

FREMONT COUNTY, Colo. – The Grandview Avenue bridge replacement project will begin with road closures on May 13th, 2024. Attached is the traffic plan detailing the detour route for Grandview Ave through traffic for the Grandview Ave bridge replacement project. The detour will be in place and the road will be closed on either side of Fourmile Creek on May 13, 2024, through mid-November 2024. Fremont County is the owner of this project, the Contractor is Siete, Inc of Rye, CO. The project will remove and replace the old load restricted bridge with a new one which includes sidewalks for pedestrian safety. The cost of the project is \$3.1 million with local, state, and federal funding including a significant contribution from CDOT. Working hours for the contractor will be from 7:00am-5:30pm Monday through Friday

Visit the Fremont County website at www.fremontcountyco.gov for project updates, information on county services and access to county offices information. You can also visit the Fremont County, Fremont County Emergency Management, and the City of Canon City Facebook pages for more information and project updates.
